

Meet Your New Assessor – Peter Augustino, MAAO

Baltimore Township is pleased to welcome Peter Augustino as its new Assessor. Peter has more than ten years of experience in property assessment administration throughout Michigan and holds the Michigan Advanced Assessing Officer (MAAO) certification.

Throughout his career, Peter has worked with communities of all sizes, overseeing assessment administration, property valuation, land divisions, personal property assessments, Board of Review proceedings, and taxpayer assistance. He currently serves as the Assessor for both the City of Howell and Edenville Township.

Peter is committed to providing fair, accurate, and equitable assessments while maintaining open communication with residents. He believes in being accessible, transparent, and responsive to the needs of property owners and taxpayers.

Peter looks forward to serving the residents of Baltimore Township and helping ensure a professional and efficient assessing program for years to come.
